## **FAA LEVEL 3 AWARD IN ACTIVITY FIRST AID (RQF)**

### **AWARD IN ACTIVITY FIRST AID AT SCQF LEVEL 6**

This qualification is designed to provide a learner with the knowledge and practical competence required to deal with a wide range of first aid situations with a focus on sports and activity related conditions.

The qualification is suitable for learners working in outdoor and activity environments or involved in other settings such as voluntary and community activities.

This qualification is regulated in the UK and awarded by First Aid Awards (FAA).

FAA are an awarding organisation regulated by Ofqual and SQA Accreditation and the qualification sits on the Regulated Qualifications Framework (RQF) and the Scottish Credit and Qualifications Framework (SCQF).

The qualification is delivered, assessed, and quality assured adhering to the Assessment Principles for Regulated First Aid Qualifications, and delivered and assessed in accordance with the current Resuscitation Council UK Guidelines.

### **ENTRY REQUIREMENTS**

The qualification is available to learners aged 14 or over but a learner cannot assume the responsibility of being a first aider in the workplace until they reach the age of 16.

It is recommended that learners hold a minimum of level 1 in literacy or equivalent to undertake this qualification.

It may be possible to grant a reasonable adjustment for a learner who has a disability, medical condition or learning need following the FAA Reasonable Adjustment and Special Consideration Policy. For example, assistance could be given with reading or writing. Due to the practical nature of the first aid assessment there are physical demands.

Learners must be able to get to the floor unaided and successfully demonstrate all required

elements of the practical assessment on their own, with the casualty on the floor, as in a real-life situation. For example, a learner will need to get to the floor unassisted and demonstrate effective cardiopulmonary resuscitation on a manikin at floor level.

If a learner has any concerns they should contact their training provider to discuss before attending the course.

## **QUALIFICATION DELIVERY**

The qualification has 12 assigned guided learning hours (GLH) and 14 hours total qualification time (TQT).

GLH indicates the number of contact hours that the learner will undertake being taught or assessed under the immediate guidance or supervision of the trainer/assessor in the classroom.

TQT includes GLH but also considers any unsupervised learning or preparation that a learner may undertake independently which could include self-study or the completion of set tasks.

The minimum classroom contact time of 12 hours can be delivered over 2 days or completed over a maximum of 6 weeks ensuring that each session is a minimum of two hours.

The learner ratio for the qualification is a maximum of 12 learners to 1 trainer/assessor.

## **QUALIFICATION VALIDITY**

The qualification is valid for three years from the date of achievement.  
It is strongly recommended that the learner attends annual refresher training.

## **Requalification**

To requalify learners will need to complete the full 12-hour course again.
